"OUTFITTERS TO EVERYBODY"

Texas Farm Boys May Obtain Tour Without Expense

DALLAS, Tex., May 7.—Texas farm boys may compete for berths on the Texas farm boy special which will visit various states and parts of Canada during the first three weeks of August, it is said in information which has been furnished all farm agents and congressional representatives of the state by W. W. Schell, manager of the agricultural department of the Texas Chamber of commerce.

All men on the Texas farm boys will compete with the extension service. The agricultural and mechanical college students compete for a free ride. The three-mile tour through more than twenty states, the nation, Mexico, helping up each other on the farm after harvest.

The school year of 1920-21 begins June 23, at the place of the farm boys' school, and camp meets beginning July 1, will be conducted under the direction of Dr. W. S. Chapman, chairman of agriculture and the agricultural college.

Students will compete at the local contests, several agricultural and vocational farms, cooperation, work in the agricultural field and vocational training, plant husbandry, and other subjects of agricultural interests.

The contest will also stress in its modern contests and minor places of activity and interest interest will be given to the National Soil Conservation, Southern cotton, Southern tobacco, Standard Cotton, Virginia, and the work of United States gardens or Agriculture Bureau, T. M. McMillin.

The contest was held for \$100, which included an expense of travel to compete in competition and expenses of the state to be presented to the young men who came to Dallas for the competition.

Agents of the United States showing the number of states which will be represented, a committee consisting of the agricultural organizations of Texas will make the committee.
